**203. Denker, Kai-Uwe ABOUT THE SPIRIT OF THE AFRICAN WILDERNESS:** On the Trail of Old Elephant Bulls. English Language Edition, December 2018, Namibia. 652 pp, profuse color illustrations. "It is said that the elephant embodies the spirit of the African wilderness, that no tract of country is truly wild if there are no elephants in it." Kai-Uwe Denker is one of Africa's most successful elephant hunters and a former President of the Namibia Professional Hunters Association. This is a fascinating book on hunting the African elephant and trophy elephant hunting as conservation. It deals with hunting old elephant bulls mainly in Namibia's northern Kalahari, where big bulls roam and hunting is done in the vastness of a pristine, pathless wilderness and on foot. Virtually all hunting in this book has been done within the past 20 years! These stories took place recently. Trophy photos, again all from recent hunting seasons, give testimony that Kai-Uwe knows how to hunt big-tusked trophy elephants. This book stands with Neumann, Stigand, and Sutherland books as a classic on elephant hunting. We read about early hunters who took big ivory, but in recent times, no one comes close to Kai-Uwe Denker in describing so many successful hunts for big ivory. Limited number of English language copies available. Signed by the author. Large format postage. \$190.00

He's hunted Chewore, Matetsi, Ngamo, Kazuma, Save Valley and recently the amazing Buby Valley Conservancy. Most of the stories are about hunting dangerous game. As Barrie Duckworth told us, Pete has several nicknames. One is "Gasi," meaning blood because Pete is always happy when there's blood in the back of his hunting truck. The other is "tsetsero," or honey badger, because Pete is stubborn tenacious and always willing to go the distance. \$125.00

303. **de Lima, Jorge Alves** **Chasing the Horizon Hunting in East Africa and India** 2010 CA. 8.5 x 11 inches. 278 pages, 257 photographs. Brian Herne said about Jorge: "There has never been a hunter anywhere in Africa, at any time, who has ever come close to matching his exploits in so many different countries." De Lima described Tanganyika as a hunter's paradise, a "hidden and distant dot on the map capable of protecting any mortal imbued with the spirit of adventure from the bitter realities of the present." Those were the days when safaris were conducted without telephone or tarmac. Jorge had many secret hideaways, far off the beaten track, where there was hardly a track to follow, where clients hunted successfully for the big five and more. DeLima could have been and done anything, but he chose to spend the 20 prime years of his life years hunting big game in Africa. Hunting with clients mainly in Tanzania with a small section on hunting in India. Large format—extra postage. \$150.00

304. **de Lima, Jorge Alves** **In the Company of Adventure** 2006 CA 335 pp., 159 photographic illustrations, 9 colored maps, index. 8.5 x 11 inches. In 1948 Jorge "got married" to Africa and never looked back. For nowhere else but in her trackless wastes could a young man quench his thirst for grand adventure. His quest for hunting big game made playgrounds of continents, rivulets of oceans and a nutshell of heaven's vaulted dome. In 1948, Jorge went to Africa and for the next 20+ years he traveled and hunted in 8 countries (including Mozambique, Zambia, CAR, Sudan, Angola) as a hunter, professional hunter, ivory hunter, explorer and founder of two safari companies (in Mozambique and Angola). Werner von Alvensleben named his second Mozambique camp after Jorge (de Lima camp). Whether hunting elephants, buffalo, lion, leopard, rhinoceros, bongo or plains game, Jorge is one of a very few who could capture the excitement, challenge and joys of hunting Africa's big game. To all like-minded men and women who venture into blank spaces on the African gameland map, to be confronted with challenges from nature and animals, this book is dedicated. Large format—extra postage. \$150.00

Gerard Miller, one of today's most popular and respected PHs in Tanzania has both a natural hunting ability as well as a keen eye for a good trophy. Look at the photos in his book. He was one of the first to hunt Africa in her golden era and one of the last to experience the joys of hunting when phenomenal game populations existed. Elephant, lion, leopard, buffalo, bongo and Lord Derby eland—from the forest galleries to the savannas, desert and lake regions. \$125.00

307. **Holmberg, Andrew** **Out in Africa: The Extraordinary Life and Times of Andrew Holmberg** Foreword by Tony Dyer. 2000 CA. Over 300pp. Over 200 photographs (over 128 full pages of photos). 8.5 x 11 inches. He grew up with the likes of Phil Percival, Bror Blixen and Eric Rundgren. His company, the legendary Selby & Holmberg Safaris took out Robert Ruark. Andrew Holmberg holds the record for the greatest number of 100-pound PLUS elephants. SIXTY THREE taken for family, friends and clients, not counting many that were almost 100 pounds. From the beginning, Holmberg recognized the potential of the harsh Northern Frontier District of Kenya when foot safari blocks were created. He took light loads in because he was going to have heavy tusks and lots of other trophies to take out. His personal best on elephant: 141 pounds per side; his best buffalo: 58 inches! Andrew consistently pioneered hunting new areas. Exceptional trophies were his typical results. In East African professional hunting history, no other individual has been given undisputed credit for so many number one accomplishments. Andrew Holmberg has led a "larger than life" life. \$ 135.00

**308. LeNoel, Christian On Target: History and Hunting in Central Africa** 1999 CA 256pp. Almost 135 photographic illustrations. 7x10 inches. LeNoel is an experienced professional hunter, and a good writer. Bongo, Lord Derby eland, dwarf buffalo, etc. are found only in these remote, hard to penetrate Central African regions. Those who hunt here had to be hardy...because the game and the country demanded 100% . Stories of intrepid hunters, clients, and others in remote areas, keeping their "rifles in the bush" always ready for meeting a 100-pounder, etc. A superb book on big game in Central Africa with stories of hunting man-killers, rogues, 100-pound tuskers and record book trophies. \$ 85.00

He enjoys the thrill of the hunt, the solitude, and challenges of the chase. The journey, he finds, often provides more memories than the destination.
